

**Centre for Teaching Maths  
University of Plymouth**

## **A level Mathematics Revision Days**

The Centre runs A level Revision Days throughout the year. We have one course planned to coincide with the January Examinations in Plymouth. This day is suitable for all exam boards. Students will be guided through the syllabus, topic by topic, provided with a pack of examples and solutions to help your revision and given lots of helpful hints for examination success

### **C1 Revision Day –Plymouth** Monday 21<sup>st</sup> December 2009

This course will be held at the University Of Plymouth, PL4 8AA

The day will start at 10:30am and end between 15:30pm and 16:30pm (depending on exam board). The timetable for the day can be found on the website:

[http://www.tech.plym.ac.uk/Research/mathematics\\_education/index.htm](http://www.tech.plym.ac.uk/Research/mathematics_education/index.htm) and then follow the link on the left through Mathematics Enrichment for Students or contact Julie Tombs on 01752 586862 or by email: [jtombs@plymouth.ac.uk](mailto:jtombs@plymouth.ac.uk)

The cost of the day is £15 per student. Students can apply individually or schools may make group bookings. For group bookings we will offer 1 free place for every 10 places booked. If you wish to make a group booking and require an invoice then please contact Julie Tombs on 01752 586862 or by email: [jtombs@plymouth.ac.uk](mailto:jtombs@plymouth.ac.uk)

You can use the form overleaf or further details and application forms can be found on the website.

Tickets and full details on times and location will be sent to you at the address you supply on the application form.

It is possible for us to come to your school to run a revision day specifically tailored to your students and board. We can do C1, C2, C3, C4, S1, M1, AS Core or A2 Core. The cost of such a day would be £400 for groups up to 30. For larger groups we would charge £400 (for 30 students) plus £6 for each additional student. In addition, travelling expenses would also need to be covered by the school. For more information on such courses please contact Ted Graham by email: [egraham@plymouth.ac.uk](mailto:egraham@plymouth.ac.uk)
