## FPT Portfolio

### **Objectives:-**

To promote: organisation, a systematic approach, reflection on work/review and to deal with deficiencies.

<u>Level</u>	<u>Grade</u>	
Fail (<40%)	'E'	Very poor in a number of areas.
Pass (40-54%)	'D'	A major deficiency in one area, e.g. few Duncan questions attempted.
Merit (55-64%)	'C'	'Gaps' in labs, simulation or lecture notes, or only 'roughly' sorted portfolio - little evidence of any self study.
Commendation (65-69%)	'B'	<ul style="list-style-type: none"><li>• Most sections completed satisfactorily.</li><li>• Material systematically organised.</li><li>• Lecture notes - important facts highlighted.</li><li>• Evidence of CAL, simulation and text book study.</li><li>• Lab sheets mostly completed.</li></ul>
Distinction (>69%)	'A'	<ul style="list-style-type: none"><li>• Evidence of reading around the subject which identifies extra work for study.</li><li>• Simulations completed with comments.</li><li>• Comments written on lab sheets.</li><li>• Learning diary: reasonable attempt and review.</li></ul>
