

ENGINEERING SCIENCE 1 (MECH 115)

INTRODUCTION

Course Scheme: - will be followed

Attendance: - 100% should be your aim

Assessment: - 50% Coursework (Assignments + In-course test)
- 50% Exam (2hr)

You must achieve an average of 40% overall with minimum of 30% in both the coursework and examination elements to pass the module.

You will need:-

A Calculator

Drawing Instruments :

Scale rule; Compass; Protractor; Set squares

Graph paper

Text book(s)

My aims are:-

To interest you in the subject

To give you a 'feel' for it

To help you pass the exams!

Remember the difference between teaching and learning :

Teaching is something I will endeavour to do.

Learning is what you must do.

**It does not necessarily follow that
because you have been taught you have learnt.**
